VENDOR PARTNERSHIP AGREEMENT — TERMS & CONDITIONS

BoxFox Technologies Private Limited | Version v1.0 | Effective: June 29, 2025

This Agreement governs the relationship between BoxFox Technologies Private Limited and the registered Vendor. By electronically signing this document, the Vendor accepts all terms below. The signed certificate is on Page 1 of this document.

01 SECTION 1: VENDOR PARTNERSHIP & ONBOARDING

- 1 This Vendor Partnership Agreement ('Agreement') is entered into between BoxFox Technologies Private Limited ('BoxFox', 'Company', 'Platform') and the registered vendor entity ('Vendor', 'Partner', 'You') upon successful registration and approval by the BoxFox administrative team.
- 2 By electronically signing this Agreement, the Vendor confirms that they have full legal authority to enter into this binding contract on behalf of their organization, partnership, or sole proprietorship.
- 3 Onboarding is subject to verification of all submitted documents. BoxFox reserves the right to request additional documentation at any time and to suspend the partnership if information is found to be inaccurate or misleading.
- 4 The Vendor agrees to maintain the accuracy and completeness of their registered profile, including business address, bank details, GST/PAN information, and contact details. Material changes must be communicated to BoxFox within 7 (seven) business days.

02 SECTION 2: COMMISSION STRUCTURE & REVENUE SHARING

- 1 BoxFox operates on a commission-based revenue sharing model. The Vendor's individual commission rate is determined solely by BoxFox at the time of account activation and is displayed in the Vendor's dashboard under 'Commission Rate'. The Vendor's current agreed rate is reflected in this Agreement.
- 2 The commission rate is deducted from each fulfilled order or project before the net payout is credited to the Vendor's BoxFox Wallet. For example, if the commission rate is 15%, the Vendor receives 85% of the total order value.
- 3 BoxFox reserves the right to revise the commission rate for any Vendor with a minimum 14 (fourteen) days' written notice via email. The Vendor's continued use of the platform after the notice period constitutes acceptance of the new rate.
- 4 All commission calculations are performed on the base order value, excluding platform-applied discounts, coupons, and applicable taxes (GST). BoxFox is responsible for collecting and remitting applicable indirect taxes.
- 5 BoxFox does not guarantee a minimum order volume or revenue for any Vendor. Revenue is entirely contingent on customer demand and order allocation by the BoxFox fulfillment team.

03 SECTION 3: PAYMENT TERMS & WALLET WITHDRAWALS

- 1 Earnings from fulfilled orders and projects are credited to the Vendor's BoxFox Wallet within 3-5 (three to five) business days after the order is marked as 'Delivered' and the post-delivery hold period expires.
- 2 Vendors may submit withdrawal requests for their available wallet balance. BoxFox processes withdrawal requests within 7-10 (seven to ten) business days via NEFT/RTGS to the registered bank account.
- 3 A minimum withdrawal threshold of Rs. 500 (Indian Rupees Five Hundred) applies. Withdrawals below this amount will not be processed.
- 4 BoxFox is not responsible for delays caused by incorrect bank account information provided by the Vendor. It is the Vendor's sole responsibility to ensure bank details are accurate and up-to-date.
- 5 TDS (Tax Deducted at Source) under applicable Income Tax provisions shall be deducted at the time of payment as per the TDS category declared by the Vendor during registration. BoxFox shall issue Form 16A / TDS certificates as required by law.

04 SECTION 4: QUALITY STANDARDS & COMPLIANCE

- 1 All products manufactured and supplied by the Vendor must meet the quality specifications agreed upon at the time of order allocation. BoxFox reserves the right to reject products that fail to meet these specifications.
- 2 Vendors are required to maintain consistent quality standards across all orders. Repeated quality failures may result in order allocation reduction, commission rate revision, or termination of the partnership.
- 3 The Vendor must comply with all applicable Indian laws and regulations, including the Bureau of Indian Standards (BIS), Food Safety and Standards Authority of India (FSSAI) for food packaging, and other relevant regulatory bodies.
- 4 BoxFox may conduct periodic quality audits of Vendor operations, with reasonable prior notice. The Vendor agrees to cooperate with such audits and provide access to relevant production records.
- 5 Vendors must have appropriate insurance coverage for their manufacturing operations. BoxFox shall not be held liable for damages arising from Vendor's manufacturing processes or product defects.

05 SECTION 5: FULFILLMENT, SHIPPING & LOGISTICS

- 1 The Vendor is responsible for fulfilling orders within the timelines specified in each order allocation. Default fulfillment timelines are communicated via the BoxFox Vendor Portal.
- 2 For orders where the Vendor manages direct shipping, the Vendor must update tracking information (courier partner and tracking ID) on the BoxFox Portal within 24 hours of dispatch.
- 3 BoxFox may provide shipping label templates and fulfillment guidelines. The Vendor is responsible for proper packaging to prevent damage during transit.
- 4 In the event of shipment damage, loss, or delay attributable to the Vendor's packaging or dispatch, BoxFox may recover costs from the Vendor's wallet balance after providing due notice.
- 5 Vendors must maintain a minimum fulfillment acceptance rate of 85%. Consistently declining order allocations without valid reason may lead to reduced allocation priority or account review.

06 SECTION 6: CONFIDENTIALITY & NON-DISCLOSURE

- 1 The Vendor agrees to maintain strict confidentiality regarding all proprietary information, business processes, pricing structures, customer data, and technical specifications shared by BoxFox during the course of this partnership.
 - 2 Customer information (including names, addresses, contact details, and order history) is the exclusive property of BoxFox and may not be used, shared, or retained by the Vendor beyond what is strictly necessary for order fulfillment.
 - 3 The Vendor must not approach BoxFox customers directly for business outside the BoxFox platform. Circumventing the BoxFox platform to facilitate direct transactions is a material breach of this Agreement.
 - 4 Confidentiality obligations survive the termination of this Agreement for a period of 3 (three) years from the date of termination.
 - 5 The Vendor must implement reasonable data security measures to protect any BoxFox or customer information they have access to, and must promptly report any data breach or unauthorized access.
-

07 SECTION 7: INTELLECTUAL PROPERTY RIGHTS

- 1 BoxFox retains exclusive ownership of its platform, brand assets, logos, proprietary technology, and any custom design files shared with Vendors for manufacturing purposes.
- 2 Custom designs, artworks, and specifications shared with Vendors are licensed solely for the purpose of fulfilling BoxFox orders and may not be reproduced, sold, or shared without explicit written authorization from BoxFox.
- 3 Any improvements, modifications, or innovations developed by the Vendor specifically for BoxFox orders shall be disclosed to BoxFox, and BoxFox shall have a non-exclusive license to use such innovations in its platform.
- 4 The Vendor must not reverse-engineer, copy, or replicate BoxFox's product designs for third-party customers or for sale under their own brand.

08 SECTION 8: DISPUTE RESOLUTION & GOVERNING LAW

- 1 Any dispute arising from or in connection with this Agreement shall first be addressed through good-faith negotiation between the parties. If unresolved within 30 (thirty) days, the dispute shall be submitted to mediation.
- 2 If mediation fails, disputes shall be resolved through binding arbitration under the Arbitration and Conciliation Act, 1996 (India). The arbitration shall be conducted in New Delhi, India.
- 3 This Agreement shall be governed by and construed in accordance with the laws of India. The courts of New Delhi shall have exclusive jurisdiction for any matter not subject to arbitration.
- 4 The Vendor waives the right to participate in class-action lawsuits against BoxFox. All disputes must be brought on an individual basis.
- 5 BoxFox's total liability to the Vendor under this Agreement shall not exceed the total commissions earned by the Vendor in the 3 (three) months preceding the event giving rise to the claim.

09 SECTION 9: MODIFICATION & TERMINATION

- 1 BoxFox reserves the right to modify the terms of this Agreement at any time with 14 (fourteen) days' notice. Continued use of the platform after the effective date of changes constitutes acceptance.
 - 2 Either party may terminate this Agreement with 30 (thirty) days' written notice. BoxFox may terminate immediately for cause, including but not limited to: quality failures, fraud, breach of confidentiality, or regulatory non-compliance.
 - 3 Upon termination, all pending earnings shall be processed as per standard payment terms, minus any outstanding amounts owed to BoxFox. The Vendor's access to the portal will be disabled upon the effective termination date.
 - 4 BoxFox reserves the right to suspend a Vendor's account without notice in cases of suspected fraud, violation of customer trust, or risk to the BoxFox platform's integrity. A full review will be conducted promptly.
 - 5 Post-termination, the Vendor must return or destroy all BoxFox confidential information and certify such action in writing within 15 (fifteen) days of termination.
-

10 SECTION 10: REPRESENTATIONS & WARRANTIES

- 1 The Vendor represents and warrants that: (a) they are a legally registered entity or individual authorized to conduct business in India; (b) all information provided during registration is accurate and complete; (c) they possess all licenses, permits, and registrations required for their manufacturing operations.
- 2 The Vendor warrants that their products are free from defects, comply with applicable standards, and do not infringe upon any third-party intellectual property rights.
- 3 The Vendor warrants that they have not been convicted of any fraud, financial crime, or regulatory violation that would make their participation in the BoxFox network inappropriate.
- 4 BoxFox provides the platform and services 'as-is' and does not warrant uninterrupted service. BoxFox shall not be liable for platform downtime, technical issues, or third-party service failures.

11 SECTION 11: INDEMNIFICATION

- 1 The Vendor agrees to indemnify, defend, and hold harmless BoxFox, its directors, officers, employees, and agents from any claims, damages, liabilities, costs, and expenses (including legal fees) arising from: (a) the Vendor's breach of this Agreement; (b) product defects or quality failures; (c) Vendor's negligence or misconduct; (d) infringement of third-party rights by the Vendor.
- 2 BoxFox shall promptly notify the Vendor of any claim for which indemnification is sought. The Vendor shall have the right to control the defense of such claim, with BoxFox's cooperation.
